RE: FY 07 CPMSGP Clarification on usage of funds for technical assistance visits

After much discussion, the Governor's Office of Homeland Security (OHS) has concluded that funds from the FY 07 CPMSGP can **not** be applied towards technical assistance visits among the ports. This is due largely to the high number of visits to the ports being made for threat assessments, such as the Full Spectrum Integrated Vulnerability Assessment (FSIVA).

OHS apologizes for any inconvenience or confusion that this may have caused.

For additional information regarding the FY 07 CPMSGP, please contact your OHS Program Representative, Scott Sano at (916) 324-6119 or scott.sano@ohs.ca.gov

Sincerely,

John Isaacson
Interim Deputy Director
